

# Coaches Video

## Air Potato System Control 3 cameras with one button

### Features:

- Synchronize your endzone camera to your sideline cameras
- Remote control (on/off) of your endzone camera from the sideline
- Take the recording responsibility out of the end zone cameraman's hands
- Download the same number of clips from all 3 cameras
- Matching angles made easy and saves time!
- Integrated with most endzone systems with LANC or Multi-Port control
- Sideline wide, tight, and endzone recording with one button press
- Works with all popular video editing systems
